

Activity Box 1 Introduction to Phrasal Verbs

Using the accompanying phrasal verb maze, complete the following sentences with an appropriate phrasal verb. The first sentence is done for you. Starting from the top left corner, you have to negotiate your way down to the bottom right corner of the maze. The box with the next answer in is always touching the box with the answer to the previous question. Remember to put the phrasal verb in the correct tense.
